# RELIGHT® REFILLS

Our refill concepts offer the perfect solution to create the right atmosphere for every catering professional. Our refills are available in different burning hours to suit your needs. They provide a beautiful, visible flame and are clean and easy to replace. The refills are also made from **recycled plastic** and can be **recycled after use**. **Cost-efficient, less waste, recyclable** and **increased convenience**. The ReLight® concept from Bolsius Professional.
